

THE PRÉMICES from Gernétic int.

At what age and when should we start using skin care products?

That is the question most teenagers ask themselves, specially when the first skin problems appear: cutaneous imperfections, blackheads, dilated pores ; nothing dramatic but they seek for a solution. Further, they fear that the first wrinkles will appear, it is then important to prevent them.

With its natural ingredients, very efficient and easy to use, the « PREMICES » line from Gernétic Int. will allow teenagers and young women to find the accurate solution to their skin problems.

The first Skin Care
that will make you feel like going further.
